# Microgreens

## PEA TENDRILS

Delicate, curling vines with a fresh pea taste. These tendrils are crisp, tender, and perfect for salads, sandwiches, or elegant garnishes.

8oz container

## PEA SHOOTS

Vibrant green shoots that carry the sweet flavor of young peas. Superb tossed into salads, stirred into bowls, or used as a fresh topping.

8oz container

## GOLDEN PEA SHOOTS

A striking golden-hued variant of pea shoot—same sweet, fresh pea flavor, with a visual pop that elevates any dish.

8oz container

## POPCORN SHOOTS

Light, airy greens with a mild corn-like nuance, adding texture and interest to your plates.

4oz container

## MICRO BASIL

Tiny leaves bursting with classic basil aroma—ideal for finishing sauces, pizzas, or garnishes with instant punch.

8oz or 4oz container

## MICRO CILANTRO

Vibrant and citrusy, these delicate cilantro leaves deliver fresh herbal brightness, perfect for tacos, salsas, or finishing dishes.

8oz or 4oz container

## RAINBOW MIX

A colorful blend of microgreens—reds, greens, purples—for flavor contrast and visual appeal in every bite.

8oz or 4oz container

## CHEF'S BLEND

An expertly curated mix of microgreens and flowers chosen for balanced texture, flavor, and versatility—your go-to for creative plating.

8oz or 4oz container

# Microgreens

## MICRO CHIVE

Slender, green stubble-like shoots that deliver crisp onion flavor in a delicate micro form.

4oz container

## MICRO SHISO

An aromatic microgreen with hints of mint, basil, and anise—ideal for Japanese, fusion, or fine dining accents.

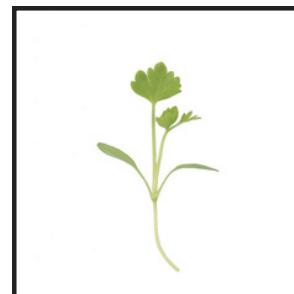

8oz or 4oz container

## MICRO RADISH

Peppery bite in miniature—these micro radish greens add spice, color, and brightness to any dish.

8oz or 4oz container

## MICRO CELERY

Tender celery greens with their distinct aromatic bite—great in soups, stocks, salads, or as a crisp accent.

8oz or 4oz container

## CITRUS MIX

Zesty, bright microgreens blending citrus-tasting leaves—perfect for seafood, desserts, or cocktails.

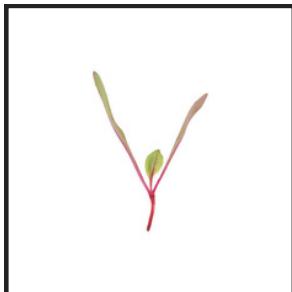

8oz or 4oz container

## SPICY MIX

A bold medley of peppery microgreens that deliver heat, depth, and excitement to your cuisine.

8oz or 4oz container

## BULL'S BLOOD

Deep burgundy and green leaves with earthy flavor—adds drama, color, and subtle flavor to your presentations.

8oz or 4oz container

## MICRO ARUGULA

The bite and pepper of full-grown arugula captured in tender, vibrant micro leaves—great in fresh salads or as garnish.

8oz or 4oz container

# Microgreens

## MICRO BROCCOLI

Mild, delicate greens with a hint of broccoli flavor—rich in nutrients, subtle in taste.

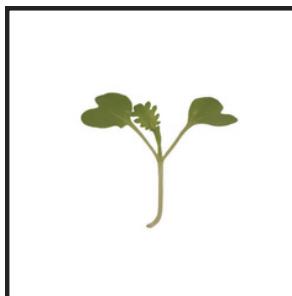

8oz or 4oz container

## MICRO CARROT TOP

Tender carrot greens offering fresh, herbal carrot notes—great for pesto, salads, or finishing touches.

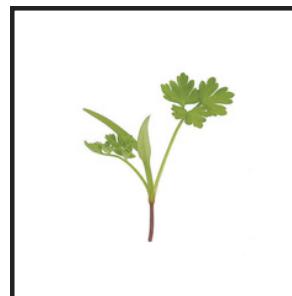

8oz or 4oz container

## MICRO WASABI

A mild wasabi-like bite in micro form—adds surprise, flair, and spice in small amounts.

8oz or 4oz container

## MICRO CHERVIL

Delicate parsley-like herb with anise notes—perfect for fine garnish, soups, and delicate plates.

8oz or 4oz container

## MICRO PARSLEY

Classic parsley flavor in ultra-tender micro form—bright, fresh, and versatile.

8oz or 4oz container

## NASTURTIUM LEAVES

Edible greens with peppery, pepper-cress bite and beautiful leaf shape—gustatory and visual delight.

8oz or 4oz container

## SUNFLOWER SPROUTS

Crunchy, nutty, and refreshing—these sprouts are satisfying by themselves or as a fresh topping.

8oz or 4oz container

## MICRO DILL

Feathery, aromatic greens with the distinct flavor of fresh dill in a delicate micro form.

8oz or 4oz container

# Edible Flowers

## VIOLA FLOWERS

Delicate, colorful blossoms with a sweet mild flavor—excellent on desserts, salads, or drink garnishes.

[50ct container](#)

## EGYPTIAN STARFLOWER

Star-shaped blossoms with subtle floral notes—ideal for plating, cocktails, desserts, or cake decoration.

[200ct container](#)

## ASSORTED FLOWERS

A mix of seasonal, hand-picked blooms that add color, flavor, and elegance to salads, desserts, and cocktails.

[200ct container](#)

## MARIGOLD FLOWERS

Vibrant orange and gold petals with a slightly citrusy or peppery note—adds bold color and flavor interest.

[50ct container](#)

## DIANTHUS

Delicate, hand-picked dianthus blooms that add vibrant color, subtle clove-like flavor, and elegance to salads, desserts, and cocktails.

[200ct container](#)

## SQUASH BLOSSOMS

Fresh, hand-harvested squash blossoms prized for their tender texture and mild, sweet flavor—perfect for stuffing, frying, or garnishing.
